

Digital Studio is a one stop solution provider for all your corporate photography & industrial photography requirements.

We undertake outstation assignments to cover various locations all over India as well as photography of your equipment, manufacturing units, commercial establishments like offices, factories and showrooms etc.

In addition to the photography services, we also provide post production of photographs, so that you get the best quality. The final high quality images which are shot in RAW can be blown to poster size of over 12' x 8'.

With experience and expertise in photography for over 5 years, you can expect the best of services from us.

Our clients range from global enterprises like SONY, NELCO, IGPL, IndiaMart, Castrol etc. to Small & Medium Enterprises (SME) spread all over India. As part of our Corporate Social Responsibility (CSR) we have offered photographic services to NGOs like CHILDLINE, Dignity Foundation, Life Trust to name a few.
